

1 THE CHAIRMAN: Delegate Gallagher.

2 DELEGATE GALLAGHER: This is a highly indignant  
3 position I find myself in but I would say, Delegate Wiedemeyer,  
4 that it is not the intention of the Committee that this  
5 particular section shall apply to votes of the subcommittee  
6 but only committees themselves.

7 THE CHAIRMAN: For what purpose does Delegate  
8 Wheatley rise?

9 DELEGATE WHEATLEY: I would like to further  
10 pursue the question raised by Delegate Wiedemeyer with  
11 Delegate Gallagher.

12 THE CHAIRMAN: State the question.

13 DELEGATE WHEATLEY: Would it not be true then,  
14 Mr. Chairman, that subcommittees then could handle these  
15 issues that we are so interested in seeing visible  
16 and never get to a full committee vote and thwart it;  
17 the whole thing is, the legislature is inclined to be of  
18 that frame of mind.

19 THE CHAIRMAN: That is hardly a question intended  
20 for clarification, I would say, Delegate Wheatley. That  
21 is debate.
